

# SWEETY THRIPS MAGNET

  
**MODIFY**  
ECO CROP PROTECTION

## SIMPLY IRRESISTIBLE FOR INSECTS

SWEETY THRIPS MAGNET is a new insect attractant for tank-mix application and made almost entirely out of waste products. SWEETY THRIPS MAGNET's formulation consists entirely of food-grade ingredients and is therefore safe for people and planet. The origin and quality of SWEETY THRIPS MAGNET ensures that the environmental footprint for usage is reduced to a minimum.

## MODE OF ACTION

SWEETY THRIPS MAGNET is a solution of several natural substances among which sugars. When added to the spray liquid, SWEETY THRIPS MAGNET attracts thrips and other insects from their hiding places in the crop. This results in better exposure and a significant increase in insect control.

## DOSAGE

Outdoor crops: 2 – 4 liter per hectare  
Indoor crops: 0,1 – 0,2% solution

## PREPARATION OF SPRAY LIQUID

Prepare the spray liquid completely  
Mix the needed amount of SWEETY THRIPS MAGNET into the spray liquid

## STORAGE

The shelf life of SWEETY THRIPS MAGNET is 2 years provided it is stored in a dark, cool and dry place.

## DISCLAIMER

Our SWEETY THRIPS MAGNET user advice, both oral and written, is based on the best knowledge at the moment. The most recent advice and tests are on our website. However, it is not possible for us, based on this notice, to accept liability for use, as we cannot control various factors during storage, transport, application and use of products delivered by us. Read and follow the instructions on the packaging before use.
